Gap analysis - Wikipedia

Thu, 11 Oct 2018 17:22:00 GMT In management literature, gap analysis involves the comparison of actual performance with potential or desired performance [citation needed]. If an organization does not make the best use of current resources, or forgoes investment in capital or technology, it may produce or perform below an idealized potential. This concept is similar to an economy's production being below the production ...

Yield gap analysis with local to global relevance—A review ...

Fri, 12 Oct 2018 14:51:00 GMT *Highlights We define the concepts relevant for yield gap analysis. We review different methods for local and global yield gap analyses. Global methods are coarse and local studies use different methods. A number of methods is compared using data sets from three regions. Components of a protocol for global yield gap analysis with local relevance are proposed.*

Results and analysis - Global Gender Gap Report 2016

Wed, 26 Oct 2016 19:13:00 GMT *Results and analysis Country Coverage, 2016. We aim to include a maximum number of countries in the Report every year, within the constraints posed by data availability. To be included in the Report, a country must have data available for a minimum of 12 indicators out of the 14 that make up the Index. In 2016, we have been able to include 144 countries in the Report.*
